Friends:

As part of our ongoing efforts to ensure public awareness of issues related to the Tassajara Valley, Mayor Bill Clarkson and I are hosting a study session regarding the Corrie Cemetery project on Tuesday June 24th at 7:00 at the San Ramon City Hall. 2222 Camino Ramon, San Ramon.

This would normally be our City Council meeting time, however 3 council members will be out of town.

Bill and I felt this was important enough and timely to have this session and our City Manager agreed. Supervisor Candace Andersen will be sending staff as well. Dublin's City Council has just passed an Urban Growth Boundary for their east side and the City of Livermore's Mayor John Marchand reaffirmed their Open Space Commitments during that process so the timing is excellent to look at this threat to the Open Space east of San Ramon.

Please spread the word.

regards, Phil
